INFORMATIVE

SAT-MOD-20050301-00054 S2115 Globalstar LLC

The application captioned above is a licensing proceeding and is generally restricted under the Commission's ex parte rules. See 47 C.F.R. §§ 1.1202(d) and 1.1208. On July 6, 2005, Globalstar LLC and Globalstar USA, LLC filed a request to designate Files Nos. SAT-MOD-20050301-0054 and SES-MOD-20050301-00261, as "permit-but-disclose" under the Commission's ex parte rules. See Letter from William T. Lake, Wilmer Cutler Pickering Hale and Dorr, LLP, Counsel to Globalstar LLC and Globalstar USA LLC to Marlene H. Dortch, Secretary, Federal Communications Commission. The issues raised by these applications raise complex policy issues. In order to develop a full and complete record in this proceeding, the Bureau concludes that the public interest will be served by designating IBFS Files Nos. SAT-MOD-20050301-0054 and SES-MOD-20050301-00261 as "permit-but-disclose". Accordingly, on July 7, 2005, the Satellite Division, Policy Branch granted the request and designated the applications as "permit-but-disclose." 47 C.F.R. §§ 1.1200(a), 1.1206 and 1.1208, Note 2. This action is without prejudice to any determination regarding the processing of the applications.
